Privilege Relations LLP held IPO seminar in Shenyang / China

London, Shenyang, November 5th, 2008 - Privilege Relations LLP was invited by the China FIG and Shenyang Government's Financial Director as well as representative from the governments IPO Bureau to present listing opportunities in the European market. Over 80 companies attended for the first time the IPO investment seminar on October 30th at the Lexington Hotel in Shenyang.

Privilege Relations LLP is proud of having presented IPO marketing strategies at the seminar together with its partners, the Deutsche Börse AG and Delta Limes Equity Partners AG. The one day event was hosted by the local consulting firm China FIG in close collaboration with local government authorities and targeted companies out of the fast growing city who are seeking a public offering in the European region. The seminar was a huge success and created big attention in local and nationwide Media.

Shenyang is currently one of China's boom-towns and one of its most important industrial centers. The city is quickly developing as new industries emerge. It has focused on heavy industry, heavy equipment and defense.

"We are very proud of having been invited to Shenyang to present the market opportunities which Europe offers to government and industry decision makers," states Christian Jüptner, Managing Director of Privilege Relations LLP. "We are certain to see a wave of new China IPOs over the next years, especially from the Shenyang area, as we expect European investors to focus more on the strong growing Chinese market."
