German Equity Forum 2008 success for the clients of Privilege Relations LLP

London, United Kingdom, November 26th, 2008 – Privilege Relations LLP is proud to announce that this year's German Equity Forum from November 10th to 12th was very successful for the company, but also for its clients. This year's Equity Forum counted over 5,800 participants which represents an increase from last year's numbers.

Privilege Relations LLP was one of the sponsors of the German Equity Forum 2008 and successfully hosted the South-East-Asia Forum with five companies presenting from countries like Vietnam and Singapore.

Privilege Relations LLP hosted in total ten companies, three with their own booth, at this year's event. The clients of Privilege Relations LLP presented in forums like the Alternative Energy Forum, Technology & Industrial Forum and the Software Forum.

Before and during the Equity Forum Privilege Relations initiated especially targeted meetings for its clients with renowned investors and members of the press which took place during the three-day event. These meetings were organized in close collaboration with the company's partner Delta Limes Equity Partners AG from Frankfurt, which advises and coordinates the company's capital market activities, like pre-IPO financing and listings.

Privilege Relations LLP prepared a video summary of the German Equity Forum 2008, which is available at: <http://www.youtube.com/watch?v=8pT4ftRfYK4>

Short descriptions of the hosted companies including a short interview with a representative present at this year's Equity Forum can be found below:

Curcas Oil N.V. cultivates Jatropha plants for the production of crude Jatropha oil in a sustainable manner. The company expects a listing on the Frankfurt stock exchange for the first quarter 2009.
[Interview with Kurt Stüssi, Managing Director and Founder](#)

PRIVILEGE RELATIONS

GPXS Services AG offers managed services for its clients around the BlackBerry device and supports them with training and IT administration. The company currently is doing a pre-ipo financing round prior to its listing on the Frankfurt market in January 2009.
